Position: Wildheart Nature School Intern Instructor and Coordinator.

Location/Time: Skyliner Lodge in Bend, OR June – August

Job Purpose: To provide an opportunity for training an intern in the realms of outdoor education (curriculum planning, teaching in the field, program management, etc.)

Expectations and responsibilities:

- Shadow Wildheart staff in the field during nature classes and participate as a counselor in training
- Observe and/or participate in the curriculum planning based on successful models of outdoor education
- Be willing to work with children while maintaining a positive attitude at all times. This also entails being a strong role model for the children and being mindful of language used and actions taken.

Through studying educational materials and receiving mentoring from Wildheart staff in the field, the intern will learn exceptional teaching skills and modalities that he/she can apply to all future jobs related to nature education. The intern will learn the art of curriculum development, a skill that is necessary in the field of nature education. This education is an invaluable asset to any potential employers or for self-employment opportunities.

Supervision and Evaluation

We will ask the intern to complete a contract with intern position description, objectives, activities, and materials. The intern will receive extensive training in and out of the field from Wildheart staff. We will have a biweekly meeting week to determine the capacity that the intern is meeting the goals of the contract.

Duration of the internship and hours required

The duration of the internship will be 10 weeks, in which the intern will be required to complete 120 – 150 hours, depending on how many credits she/he wants to obtain. They intern will receive a stipend of \$1,000.
